

ACS Spring 2026 - Div. of Environmental Chemistry Program
Atlanta, GA Online March 22-26, 2026

Location	Symposia	Oral - In-Person					Oral - Digital	Poster - In-person
		Sunday Mar 22	Monday Mar 23	Tuesday Mar 24	Wednesday Mar 25	Thursday Mar 26		
GA World Congress Ctr	ACS Award for Creative Advances in Environmental Science & Technology (Invited)			PM				
GA World Congress Ctr	Advanced Materials and Computation For Environmental Applications		AM					Tuesday, 12-2pm
GA World Congress Ctr	Advances in PFAS Research and Outlook		AM & PM	AM & PM				Tuesday, 12-2pm
GA World Congress Ctr & Digital	Advancing Resource Recovery For Critical Minerals <i>Joint Program with GEOC</i>			PM	AM & PM	AM	Tues AM	Wednesday, 12-2 pm
GA World Congress Ctr	Aging of Micro- and Nanoplastics In The Environment and The Associated Analytical Approaches				AM			Wednesday, 12-2 pm
GA World Congress Ctr	Aquatic Photochemistry	AM & PM	AM & PM					Tuesday, 12-2pm
GA World Congress Ctr	Behavior of Advanced Materials and Emerging Contaminants in the Soil-Plant Continuum				PM			Wednesday, 12-2 pm
GA World Congress Ctr	Chemistry in Communities: Important Challenges To Understanding and Measuring Air, Water, and Soil Environmental Pollution				PM			Wednesday, 12-2 pm
Marriott Marquis & GA World Congress Ctr	Circular Economy of Synthetic and Bio-Based Polymers: Advances in Feedstocks, (Bio)Degradation, Recycling, and Chemistry <i>Joint Program with CELL, PMSE, and POLY</i>	AM & PM	PM	AM & PM	PM			Wednesday, 12-2 pm
Digital	Combined Digital Session - ENVR						Tues AM	
GA World Congress Ctr	Electrified Water Treatment Processes			AM & PM				Tuesday, 12-2pm
GA World Congress Ctr & Digital	Enabling Circular Economy Through the Sustainable Conversion of Waste Streams Into Valuable Resources				AM		Wed PM	Wednesday, 12-2 pm
GA World Congress Ctr	Environmental Contaminants: Impacts, Exposure, and Toxic Effects	AM & PM	AM & PM					Tuesday, 12-2pm
GA World Congress Ctr	Environmental Implications and Applications of Artificial Intelligence and Machine Learning				AM & PM			Wednesday, 12-2 pm
GA World Congress Ctr	ENVR Sci-Mix							Monday, 8-10 pm
GA World Congress Ctr	ES&T Journals Award Session For James J. Morgan Early Career Lectureship (Invited)		PM					
GA World Congress Ctr	General Environmental Chemistry		AM			AM		Wednesday, 12-2 pm

ACS Spring 2026 - Div. of Environmental Chemistry Program
Atlanta, GA Online March 22-26, 2026

Location	Symposia	Oral - In-Person					Oral - Digital	Poster - In-person
		Sunday Mar 22	Monday Mar 23	Tuesday Mar 24	Wednesday Mar 25	Thursday Mar 26		
GA World Congress Ctr	Geochemical Perspectives on Energy Production, Development, and Transition <i>Joint Program with GEOC and ENFL</i>			PM				Wednesday, 12-2 pm
GA World Congress Ctr	Innovation, Community Impact, and Sustainable Chemistry Solutions Across the Chemical Enterprise: A Multi-Stakeholder Approach				AM			
GA World Congress Ctr	Interfaces, Interactions, and Innovation: A Holistic View of PFAS Science	AM & PM						Tuesday, 12-2 pm
GA World Congress Ctr	Mass Spectrometry For Environmental Processes and Contaminant Fate			AM				Tuesday, 12-2 pm
GA World Congress Ctr & Digital	Methane: Chemistry of a Greenhouse Gas <i>Joint Program with GEOC, ENFL and I&EC</i>		PM				Tues PM	
Marriott Marquis & GA World Congress Ctr	Microplastics <i>Joint Program with PMSE, POLY, COLL, and TOXI</i>	AM & PM	AM & PM	AM				Tuesday, 12-2 pm
GA World Congress Ctr	Microplastics, Nanoplastics, and Plastic Additives: Emerging Techniques For Detection and Assessing Environmental Impacts				PM			Wednesday, 12-2 pm
GA World Congress Ctr	Nanocomposites With Tunable Interfaces For Enhanced Catalytic Reactivity In Environmental Applications			PM	AM & PM			Wednesday, 12-2 pm
GA World Congress Ctr	Nanotechnology In Water and Wastewater Treatment: Advanced Materials For A Sustainable Future			AM & PM				Tuesday, 12-2 pm
GA World Congress Ctr	New Trends in Air Pollution			AM				Tuesday, 12-2 pm
GA World Congress Ctr	Rare Earth Element: Occurrences, Extraction Method Development, and Application		PM			AM		Tuesday, 12-2 pm
GA World Congress Ctr	Sustainable Lab Program for General Chemistry <i>Joint Program with CHED</i>	PM						
GA World Congress Ctr	ACS Innovative Program: Transforming Chemistry Practices for Sustainability and Safety <i>Cosponsored with ComSci</i>			AM				
Digital	Virtual Graduate Students Symposium in Asia-Pacific Region on Current Environmental Issues						Mon EVE; Tues EVE	
GA World Congress Ctr	Wildland Urban Interface (WUI) Fire Impacts On Environmental Systems: Integrating Soil, Water, Air, and Public Health Perspectives <i>Joint Program with CES, AGRO, ComSci and ENFL</i>			AM & PM				Tuesday, 6-8 pm
